The following graph shows the year-to-year comparisons for each crime category for 2010 and 2011.

THE FOLLOWING IS A BREAKDOWN OF EACH PART A CRIME FOR 2011:

MURDER

There were no murders in 2011, or in all of 2010, 2009 or 2008. There were 2 homicide attempts in 2011 which both resulted in arrests. Both of these attempts were domestic violence situations.

RAPE – DOWN 80%

During 2011, there was one rape reported which is down 80% from the 5 rapes reported in 2010. Rape was the lowest in 2011 than we have seen in many years. This year's case involved a victim and her ex-husband with whom she had a violent history. He was arrested.

ROBBERY – DOWN 11%

There were 24 robberies in 2011, which is down 11% from the 27 robberies in 2010. Of these 24 robberies, 18 resulted in an arrest or court action and 6 remain active.

In addition to the 24 robberies, there were 8 attempted robberies where a threat or assault was made but no theft. Of the eight attempts, five remain active and three resulted in an arrest.

Location of Robberies

Of the total 24 robberies, 8 involved a firearm, 4 involved a knife, 2 involved another type of weapon and 10 were unarmed/strong-arm robberies.

These robberies occurred on the street/park (7), residences (7), bank (5), stores (1), service station (2), pharmacy (1) and car (1).

ASSAULT & BATTERY – DOWN 6%

There were a total of 180 assault and batteries reported in 2011, compared to 192 reported in 2010. Of these 180 assaults, 84 (47%) were domestic violence situations. This number is up from the 71 domestic violence assaults reported in 2010.

Of all the assault cases, 107 (59%) resulted in arrests, 52 (29%) resulted in court action, 12 (7%) remain active, 6 (3%) were cleared by exception and 3 (2%) are in-active or service was completed.

There were an additional 18 sex crimes reported in 2010. These cases include: 12 indecent assault and batteries, 3 open and gross incidents, 2 sexual assaults and 1 indecent exposure. Six of these cases were cleared by arrest, three by court action, two are in-active, one is completed service and six remain active, under investigation. It should be noted that 11 of these 18 sex crimes (61%) occurred at 300 South Street, a mental health and chemical dependency hospital.

BURGLARIES – UP 8%

There were a total of 155 burglaries in 2011, as well as 27 attempts. This is up 8% from the 143 burglaries in 2010. Of the total 155 burglaries, 126 (81%) were of residential properties and 29 (19%) were of nonresidential buildings, including offices and commercial establishments.

Of the total 155 burglaries, 123 (80%) cases remain active, 11 (7%) resulted in an arrest, 2 (1%) result in court action and 19 (12%) were cleared exceptionally. Laptops, cash and jewelry are the most targeted item during a burglary.

LARCENY – DOWN 12%

There were a total of 575 larcenies in 2011, down 12% from the 654 larcenies in 2010.

Of the total larcenies, 422 cases remain active, 72 resulted in arrests, 55 were cleared by court action, 19 were cleared exceptionally, 1 was cleared by referral and 6 were completed service.

Assault and Batteries by Weapon Used

2011 Burglaries - Case Status

Of the total 575 larcenies, 143 (25%) were car breaks. GPS units were targeted in 42 of the 143 car breaks (29%). In addition, there were 23 attempted car breaks during the year. There were also 70 bicycles stolen in 2011. There were 21 thefts of packages/mail as well in 2011, roughly half of these occurred during the holiday season. In 2011, we also saw an increase in copper thefts and other thefts from construction/worksites (generators, compressor, large tools, etc.).

MOTOR VEHICLE THEFT –DOWN 32%

There were 15 motor vehicles reported stolen in 2011, which is down 32% from the 22 motor vehicles reported stolen in 2010. Three of the 15 stolen vehicles were scooters or motorcycles. Two were BMWs stolen off a dealer's lot. Ten cases remain active, 1 was cleared by court action, 2 resulted in an arrest, 1 is in-active and 1 was cleared exceptionally.

There were also three attempted thefts and 3 motor vehicles that were initially reported stolen which were determined to be unfounded/baseless reports because the motor vehicle was towed, lost, etc. Motor vehicle thefts are down 93% from where they were in 1999.

POLICE ACTIVITY

- **Arrests** – During 2011, there were **991 arrests**, up 40% from the 709 arrests in 2010. 24 of the arrestees were juveniles. There were also 48 people taken into protective custody and 7 sex offenders registered.
- **Field Interviews** – During 2011, there were **2,485 field interviews** conducted, down 5% from the 2,606 field interviews in 2010.
- **Moving Violations** – During 2011, there were **26,012 moving violations** issued, up 17% from the 22,217 that were issued in 2010. During the year, there were 2 non-inventory motor vehicle search conducted, representing .008% of the total stops where moving violations were issued.

- **Parking Tickets** – In 2011, there were **128,946 parking violations** issued for a total of \$4 million in fines and penalties. This number is down 5% from the 136,388 parking violations issued during 2010 (and \$4.36 million in fines and penalties).
- **Calls for Service** – In 2011, there were **92,172 police calls** entered into the CAD system. This number includes activities such as service calls, self-initiated police action, traffic enforcement and posts, prisoner processes, services of papers/warrants, report writing, town building checks and community policing activities and excludes activities such as out of services and reporting in/off duty. For 2011, calls for service are up 14% from the 72,247 calls in 2010 and up 67% from the 55,122 calls in 2009.
- **Use of Force** – During 2011, there were **40 use of force incidents** against humans and none against animals. Use of force incidents are up (110%) from the 19 reported in 2010. For this period, the type of force used included (multiple types of force being applied in some cases): Firearm (non-discharge) – 8, OC (pepper) Spray – 7, Physical (hands/grab/wrestle) – 33 and baton (display) – 2. 37 of the 40 incidents involved an arrest. Two involved emotionally disturbed persons and one was an intoxicated person. The Department defines use of force as any force beyond compliant handcuffing. This includes numerous situations where a show of force is made by officers but no physical force or contact is applied. Additionally, this includes uses of force in non-criminal situations, such as assisting emotionally disturbed persons to safety. Reporting use of force incidents is required of officers and incident reports cannot be approved without an officer filling in a mandatory field in the report writing system which indicates if force was used.
- **Motor Vehicle Pursuits** - In 2011, there were **nine motor vehicle pursuits**, three more than those reported in 2010. These incidents involved: 1) Motor vehicle violations after an attempt to stop a suspect in a shoplifting investigation, 2) a brief pursuit of a stolen Vespa scooter, 3) pursuit of a fleeing suspect attempting to avoid arrest, 4 & 5) attempts to stop a motor vehicle for traffic violations, 6) attempt to stop a suspect with multiple warrants, 7) low speed failure to stop, 8) pursuit of a stolen motor vehicle, and 9) pursuit of a suspect driving fast and erratically, (suspect was not duly licensed and drove off the road into a fence). Of the nine pursuits, seven resulted in an arrest on-scene, one resulted in an arrest subsequent to a follow-up investigation and in one case the suspect remains unidentified. Follow up investigations were conducted through the joint cooperative efforts of the patrol and detective divisions. In all nine incidents, the officers and supervisors complied with the guidelines, policies and procedures set forth by the Department with concern to motor vehicle pursuits.
- **Clearances** – Of the 950 Part A crimes reported in 2011, there were 202 cases cleared by arrest, 119 cleared by court action, 45 cleared exceptionally, 1 cleared by referral, 7 closed by completed service and 3 closed as in-active, resulting in a **40% clearance for 2011 cases**. Specifically, 100% of rapes were cleared as a result of arrest. 75% of robberies, 93% of assaults, 21% of burglaries, 27% of larcenies and 33% of motor vehicle thefts were all cleared by arrest, court action, cleared exceptionally, cleared by referral, service complete and in-active. ****Please note that many of the active cases are still under investigation and may be cleared/closed as a result. Additionally, many 2010 (and prior year) cases were cleared/closed during 2011 as a result of on-going investigations.**
